Shop, Dine & Celebrate!

Visit historic downtown Forest Grove and enjoy a wide variety of memorable experiences. Sample Oregon and imported wines in sophisticated tasting rooms, peruse galleries and antique shops and luxuriate in spas and salons. You can choose between world-class cuisines, great American comfort food or unique ethnic fare to satisfy your appetite for that special dining experience. You'll appreciate Forest Grove's tradition and unique place in Oregon's history as you visit the gardens and tree-shaded campus of Pacific University. Downtown Forest Grove is a special place that has preserved its original, turn of the century architecture and small town charm.

The village lifestyle of downtown enhances the fun and excitement of our local attractions and our many special events. Holiday, food, wine, music and microbrew festivals, cultural arts events, community and university performing arts productions, street fairs and weekly farmers' markets prove that our downtown businesses and organizations are always willing to be your host to a great time.

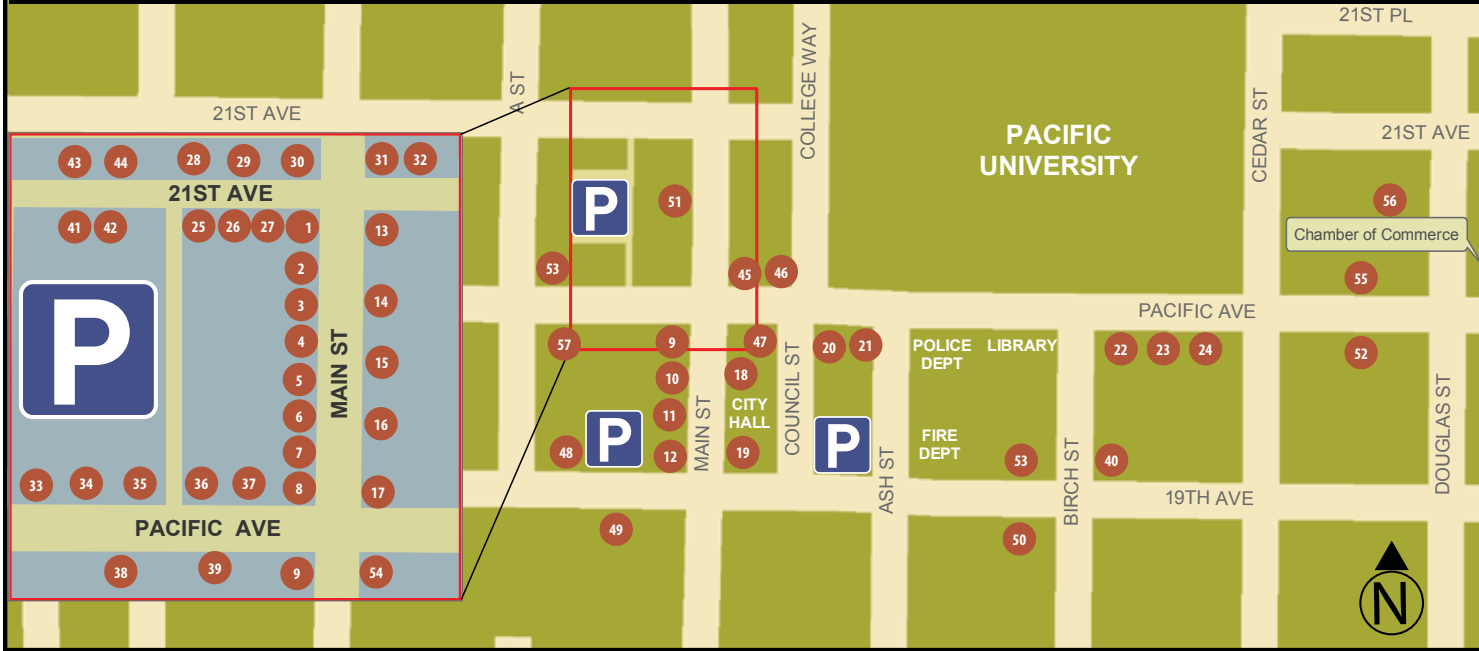

After experiencing all that Forest Grove has to offer, you'll know why people say, "meet me downtown!" It's just minutes away from award winning vineyards and tasting rooms, camping and fishing, water sports and hiking as well as scenic and historic touring. The majestic Oregon Coast is just over an hour away. All of this makes downtown Forest Grove your gateway to the Oregon experience.
